Lyricist - [Anand Bakshi](#)

Music - [Laxmikant-Pyarelal](#)

Music Label -

Satyabhama aur rukmini rani dono krishn ki thi deewaani  
Bhaama agni ka angaara, rukmini shital jal ki dhaara  
O puja ke phul chadhaati, yeh paayal ke geet sunaati  
Kanhaiya o kanhaiya koyi murali ki taan suna de  
Mere tann mann mein aag laga de, laga de  
Kanhaiya o kanhaiya  
Aa aa aa aa aa.....  
Main hi tohe dekhu sawariya, dekhe na koyi duji najariya  
Mai hi to hu teri bawariya mai hi sunu bas tori basuriya bansi bajaiya  
Kanhaiya o kanhaiya koyi murali ki taan suna de  
Mere tann mann mein aag laga de, laga de  
Kanhaiya o kanhaiya  
Janm divas rukmini ka aaya, sajan ne saajan ko bulaaya  
Vyakul naina baat nihaare, aaj mere ghar naath padhaare  
Main nahi jaane dungi kaanha, main na sunungi koyi bahaana  
Priye kisika mann na todo, dekho, suno, jaane do, chhodo  
Narayan, narayan, baat huyi kya krishn muraari  
Kyun ruthi hai sundar naari  
Achchhe samay par aap padhaare, vipda mein hai praan hamaare  
Rukmini kahe mere sang aao, bhaama kahe naath mat jaao  
Jiska nimantran aaya pehle, bhagvan jaaye usake mehle  
Narad ji, narayan  
Rukmini ke sang chale kanhaayi, bhaama ko yeh baat na bhaayi  
Narayan, kyun baithi ho khoyi khoyi, mere yogya hai seva koyi  
Bhare nahi abhi ghav purane, phir aaye ho aag lagane  
Main sabka sevak tum jaano, chahe parakhlo jo na mano  
Koi upay aap bataye, wo sautan ke ghar na jaaye  
Accha to ek vrat rakhogi, apne pati ka daan karogi  
Wah wah dhoonda khub upay, aapse toh bas raam bachaay  
Nis din dekhu jinake sapne, kho baithu woh pritam apne  
Tum nahi samajhi kaisa khona, unake barabar tolke sona  
Mol bhraman ko dena, mohan ko waapas le lena  
Bas itna hi, aap kare wrat ki taiyaari, bhaama jeeti rukmini haari  
Parantu krishn hai bhaari jitna, tere paas hai sona itna  
Wa narad ji, sone ke bhandar jo kholu, ek nahi sau krishn main tolu  
Narayan narayan  
Kuchh dhoka hai raam duhaayi, itni bhaari nahi kanhaayi  
Yeh tera sona nakali hai, mera manmohan asali hai  
Mere paas jo tha le aayi, de do mujhko krishn kanhaayi  
De du leke jarasa sona, mohan hai ya koyi khilauna  
Chal tujhko sansaar mein bechu, daaso ke baazaar mein bechu  
Lo yeh tambura bansi bajaiya, pakdo yeh kartal kanhaiya  
Bhama swami, kaisa swami, kiska swami, swami ki ho gayi nilami, nilami  
Suno suno ai jaanewaalo hai yeh sasta maal uthaalo  
Sabki mann ki aas main bechu, kaisa sundar das main bechu  
Jivan ki naiya ka khiwaiya, iska naam hai krishn kanhaiya -2  
Main padati hu paanv tumhaare, nagari nagari dware dware  
Mujhko yu badham karo na, shyam ko tum nilaam karo na  
Apna ghar jo aap jalaaye, usaki bigadi kaun banaaye  
Bhul huyi mujhse yeh bhaari, jaau kaha viraha ki maari  
Rukmini se tum baat yeh puchho, kaise milenge naath yeh puchho  
Rukmini meri bhul bhula de, koyi jatan kar krishn mila de  
Aa bhaama main tujhpe waari, tu hai mere krishn ki pyaari  
Kya yeh dukh kewal tera hai, jo tera hai woh mera hai  
Na maaya se, na shakti se, bhagvan milte hai bhakti se  
Kanhaiya kanhaiya kanhaiya kanhaiya  
Pat meri rakho mere bansi bajaiya kanhaiya kanhaiya kanhaiya kanhaiya  
Jivan do paladu ka taraaju, ek mein jag saara, ek mein bas tu  
Jag halka tu bhaari bansi bajaiya, kanhaiya kanhaiya kanhaiya kanhaiya  
Pat meri rakho mere bansi bajaiya  
Jai jai krishn kanhaayi.....
