Hmm hmm hmm o ho ho ho o ho ho ho....
Kaun disa mein leke chala re batuhiya - 3
Yeh thehar thehar yeh suhaani si dagar
Jara dekhan de dekhan de
Mann bharmaaye naina bhaandhe yeh dagariya
Kahin gaye jo thehar, din jaayega gujar
Gaadi haakan de, haakan de
Kaun disa mein leke chala re batuhiya, kaun disa mein
Pehali baar hum nikale hai ghar se kisi anjaane ke sang ho
Anjaane se pehchaan badhegi toh mehak uthega tora ang ho
Mehak se tu kahin behak na jaana
Na karana mohe tang ho o o...
Tang karane ka tose naata hai gujariya
Hey thehar thehar yeh suhaani si dagar
Jara dekhan de dekhan de
Kaun disa mein leke chala re batuhiya, kaun disa mein
Ho ho ho ho o ho ho....
Kitani dur abhi kitani dur hai yeh chandan tora gaanv ho
Kitana apana lagane lage jab koyi bulaaye leke naam ho
Naam na le toh kya kehake bulaayein
Kaise chalaaye kaam ho...
Saathi mitawa ya anaadi kaho goriya
Kahin gaye jo thehar din jaayega gujar
Gaadi haakan de haakan de
Kaun disa mein leke chala re batuhiya, kaun disa mein
Yeh gunja uss din tori sakhiya karati thi kya baat ho
Kehati thi tore saath chalan ko so aa gaye hum tore saath ho
Saath adhura tab tak jab tak
Pure na ho phere saat
Abb hi toh hamari hai baali re umariya
Ai thehar thehar yeh suhaani si dagar jara dekhan de, dekhan de
Mann bharmaaye naina bhaandhe yeh dagariya
Kahin gaye jo thehar, din jaayega gujar
Gaadi haakan de, dekhan de
Mann bharmaaye naina bhaandhe yeh dagariya, mann bharmaaye
