Kaun kisko jaanata hai in dino  
Faasla hi faasala hai in dino  
Woh ki jo khud jaat se anjuman  
Kya akela ho gaya hai in dino  
Manzilon ki justaju mein jindagi  
Raasta hi raasta hai in dino  
Kabhi kabhi yun bhi hota hai  
Ji bharke dil yeh rota hai  
Bhulegi na tu mujhe  
Bhulunga na main tujhe  
Dil ko deewana kar loon  
Jag se begana kar loon  
Tune sheesha tod diya  
Dorahe pe chhod diya  
Chaaha tujhe bhula doon main  
Jalata diya bujha doon main  
Jhute hai yeh rishte dil ke  
Jaan abb yeh tujhase milake  
Thehari thehari lagati hai duniya  
Main rou toh hasati hai duniya  
Tikha hai khushiyon ka mela  
Kitana hai yeh dil akela  
Dil ko deewana kar loon  
Jag se begana kar loon  
Tune sheesha tod diya  
Dorahe pe chhod diya  
Aankhon se jo aansu bahenge  
Mere ghum ki baatein kahenge  
Aisa hoga yeh kya pata tha  
Manzil ghum thi khoaya rasta tha  
Kaise dil ko aaye sukoon  
Gaate gaate kahaan main ruku  
Gaate gaate kahaan main ruku.
