Ke ikvaree aaja, ke ikvaree aa
Mai tujhme samau, too mujhme sama
Tujhko pane ko dil mera betab hai, betab hai
Rasile tere nain jadu dale, aur misree jaisee hai teree bate
Ke ikvaree aaja, ke ikvaree aa
O khushbu jaise bikhru saiyya, dekh tere chhune se
Tere pyar ke jharne phute, mann ke har kone se
O rat dhal jaye na, din nikal aaye na
Tujhme khone kaa mera bada khwab hai, bada khwab hai
Rasile tere nain jadu dale, aur misree jaisee hai teree bate
Ke ikvaree aaja, ke ikvaree aa
Nil gagan pe milke ham tum aao kare basera
Jahan gale milta hai sundar rat se ek savera
O ham banaye waha ek naya ashiya
Meree dhadkan me bas teree aawaj hai aawaj hai
Rasile tere nain jadu dale, aur misree jaisee hai teree bate
Ke ikvaree aaja, ke ikvaree aa
Mai tujhme samau, too mujhme sama
Tujhko pane ko dil mera betab hai betab hai
Rasile tere nain jadu dale, aur misree jaisee hai teree bate
La la la la la la la
Aur misree jaisee hai teree bate
