Bujurgo ne
Bujurgo ne, farmaya kee pairo pe apne khade hoke dikhalao
Phir yeh jamaana tumhaara hai
Jamaane ke sur taal ke saath chalte chale jaao
Phir har taraana tumhaara, fasaana tumhaara hai
Arey toh lo bhaiya ham, apne pairo ke upar khade ho gaye
Aur milaalee hai taal
Dabaa lega daato tale ungliya, liya
Yeh jahaan dekhkar, dekhkar apni chaal
Wah wah wah wah..... dhanyavaad
Kee pag ghungru
Kee pag ghungru baandh meera naachee thee
Aur ham naache bin ghungru ke
Kee pag ghungru baandh meera naachee thee
Woh fir bhala kis kaam ka hai
Jo tir nishaane se chuke chuke chuke re
Kee pag ghungru.....
Aap andar se kuchh aur, bahar se kuchh aur najar aate hain
Baakhuda shakal se toh chor najar aate hain
Umar gujaree hai saaree choree me
Saare sukh chain band jurm kee tijoree me
Aap ka toh lagta hai bas yahee sapna
Raam naam japna paraaya maal apana
Watan ka khaaya namak, toh namak halaal bano
Farj imaan kee jinda yaha misaal bano
Paraaya dhan paraayee naar pe najar mat daalo
Buree aadat hai yeh aadat abhee badal daalo
Kyon ke yeh aadat toh woh aag hai jo
Ik din apsna ghar phunke phunke phunke re, kee pag ghungru....
Mausame ishk me machale huwe armaan hain ham
Dil ko lagata hai ke do jism ek jaan hai ham
Aisa lagata hai toh lagne me kuchh buraayee nahee
Dil yeh kehata hai aap apane hain paraayee nahee
Sange marmar kee hai, koi murat ho tum
Badhee dilkash badhee, khubsurat ho tum
Dil dil se milne ka koi mahurat ho, pyaase dilo kee jarurat ho tum
Dil chir ke dikhladu mai dil me yahee surat hasin
Kya aapko lagata nahee ham hain mile pehle kahee
Kya desh hai kya jaat hai, kya umrr hai kya naam hai
Ajee chhodhiye inn baato se, hamko bhala kya kaam hai
Ajee suniye toh
Haam aap mile toh phir ho shuru, afaane laila majanu, laila majanu ke
Kee pag ghungru.....
