Chalate chalate yuun lage i wanna walk all way with you
Ruk jaau toh kyun lage, something is leading me back to you
Hosh mein bhi kaise bekhayaal ho gaya
Deewaano ke jaise baby i ??
So is this love, this must be love
Its gotta be love, because i feel love
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love
Keh do jara - 4

Puchhe jo koyi mujhase toh main subah ko shaam keh du
Bhul jaau ghar ka rasta kuchh kaam kuchh hi naam keh du
Na jaane aisa kya kamaal ho gaya
Deewaano ke jaise baby i ??
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love
Keh do jara - 4

Aankhon se nindein gum hai, sine se dil bhi laapata hai
Behake behake se armaan hai, lag raha gadbad maamala hai
Main na jaanu kaisa mera haal ho gaya
Deewaano ke jaise baby i ??
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love

Chalate chalate yuun lage i wanna walk all way with you
Ruk jaau toh kyun lage, something is leading me back to you
Hosh mein bhi kaise bekhayaal ho gaya
Deewaano ke jaise baby i ??
So is this love, this must be love
Its gotta be love, because i feel love
So is this love, keh do jara
This must be love, keh do jara
Its gotta be love, keh do jara
Because i feel love
Keh do jara - 4
