Khaab deke jhute mute batiya banaaye kaise
Sajana anaadi baimaan
Hey mister you say, you want me as your lover
But fell me now are you a player
Say what haan chika chika chika chika
Jabhi dekhe tujhko nazar baby ghayal ho jaye jigar
Ho ho ho ho ho ho ho ho.....
Hai mere hai saason ka aasar baby tujhko manu humsafar
Ho ho ho ho ho ho ho ho.....
Teri har ada ne mujh pe, yeh kaisa jadoo kiya re
Loveâ€™s the game i wanna play, i am craving for your body now
Khwab de ke sexy jhoote moote lady
Batiya banaye got me kaise sajna crazy
Anadi beimaan be my baby give me all your love me now
Kaise bataau tujhe baat jiya ki
Janu main toh janu sari chaal piya ki
Chain mera lute lute, ratiya jagaye mujhe
Sajna anadi beimaan
Chika chika chika chika.....
Chain mera lute lute, ratiya jagaye mujhe
Sajna anadi beimaan
Saansein hai behaki behaki, paagal armaan mere
Sochu har pal main chhu lu, bhige yeh lab tere
Kaisi mushkil hai yaara, kehate na keh paau
Aise nashe mein main deewaana na ho jau
Waqt madhosh hai, mujhko na hosh hai
Loveâ€™s the game i wanna play, i am craving for your body now
Khaab deke jhute mute batiya banaaye kaise
Sajana anaadi baimaan, give me all your love me now
Khwab de ke sexy jhoote moote lady
Batiya banaye got me kaise sajna crazy
Anadi beimaan be my baby give me all your love me now
