Khaamosh raat, sehamee hawa  
Tanha tanha dil apana  
Aur dur kahee roshan huwa ek chehara, ek chehara, ek chehara  
Yeh sach hai ya sapana  
Yeh sach hai ya sapana  
Khaamosh raat sehamee hawa  
Tanha tanha dil apana  
Aur dur kahee, roshan huwa ek chehara  
Ek chehara, ek chehara  
Yeh sach hai ya sapana  
Jhukee jhukee palake jab uthee, naino me diye madham madham  
Adh khule hothon se hansee, jhaank rahee madham madham  
Kaise kahan phir ho gayee, usakee charee madham madham  
Pal pal uthatee hasrate, hone lagee madham madham  
Aur dur kahee, roshan huwa ek chehara  
Ek chehara, ek chehara  
Suraj tha pe nur sa, usakee tanak madham madham  
Chaand bhee sa bujha bujha, taare bhee the madham madham  
Juganu dilaasa dene lage, nanhee see jaan madham madham  
Shama bhee thak haar ke, hone lagee madham madham  
Aur dur kahee, roshan huwa ek chehara  
Ek chehara, ek chehara...  
Jine kaa tha ham me dam, par nahee tha koyee hamdam  
Khushiyo kee thee justaju, mil rahe the bas gham hee gham  
Shuru me iss duneeya ke bhee, khaamoshee thee aur ek the ham  
Raahe sabhee thee sunee sunee, uth rahe the kadam tham tham  
Aur dur kahee, roshan huwa ek chehara  
Ek chehara, ek chehara  
Yeh sach hai ya sapna  
Khaamosh raat, sehamee hawa  
Tanha tanha dil apana  
Aur dur kahee, roshan huwa ek chehara  
Ek chehara, ek chehara  
Yeh sach hai ya sapna
