Khaanabadosh khaanabadosh
Phirate hai hum khaabon ke sang liye london dreams
Hain honto pe siti, pairon mein safar hai
Hai door manjil saath bas hunar hai
Gungunaayenge hum chalate jaayenge hum
Jab tak dekhe na sune na samajhe na maane na yeh saara jahaan
Aajamaae aa ho aajamaane aa
Peshewar hawa mushkilein saja
Khwaab na sage jindagi thage, phir bhi jaane kyun ummid jage
Khaanabadosh khaanabadosh
Phirate hai hum khaabon ke sang liye london dreams
Ham toh nadi taal ke lehare uchhaal ke
Rehate wahin jahaan behate hai hum
Dil ki suraahi, saundhi saundhi gehraayi, jahaan chhalake hai geet
Jinhe kehate hai hum
Aajamaae aa ho aajamaane aa
Peshewar hawa mushkilein saja
Khwaab na sage jindagi thage, phir bhi jaane kyun ummid jage
Aasmaan se chhanati hai aandhiyon se banati hai
Thokaron mein hai apani toh mastiyaan
Saagaron ke yaar hai jhumanein se pyaar hai
Dolate rahenge hai aawaara kashtiyaan
Aajamaae aa ho aajamaane aa
Peshewar hawa mushkilein saja
Khwaab na sage jindagi thage, phir bhi jaane kyun ummid jage
