Dil besharam chahe nasha ik dum taaza  
Karega malang gore dhuein wala rang aaja

Dil besharam chahe nasha ik dum taaza  
Karega malang gore dhuein wala rang aaja

Yeh saansein hawa mein uda le labon se tu bas  
Aao bhula de zamaane ki saari tu ye kashmakash

Khainch le qash  
Khainch le qash  
Khainch le qash  
Khainch le qash

Drop Drop! Drop! Drop the world!

[Raftaar Rap]

Dhuwaan udey slow-mo  
Water fall flow flow  
Bhole ka bhagat main  
Namak ko hai no no  
Na main karta blow blow  
Chhodo tumbhi coco  
Green karo scene  
Baaki saari cheeze roko

Sha! Malana Malana ko laake  
Pahadon se bharo chillam sha  
Falaana dhikana ko door bhagao  
Jo kare bharam khas karke pass kar  
Bhole ka tu raas kar  
Sharab hai kharab  
Beth dum ke tu jahaaz par

Jaan le isme woh baat hai  
Yeh chakh liya jo ik dafa  
Maangega phir dobara  
Hain buri iski ghulamiyan  
Par hai sukoon isme bada  
Tujhko nahi hai yeh pata

Khench le kash  
Khench le kash  
Khench le kash  
Khench le kash (x2)

Drop, Drop, Drop, Drop the world!
