Male:  
Khali hain tere bina dono aankhiyan,  
Tum gaye kahaan  
Aankhiyon ke aalon mein, tere bina raat bhar  
Jaalti hain baatiyan yahaan  
Khali hain tere bina dono aankhiyan,  
Tum gaye kahaan  
Doob ta hai din toh shaam ko  
Saaye udte hain, teri yaadein liye  
Lakh din hue hain ke raat ko,  
Aadhe chand se, teri baatein kiye  
Yaad hai kya tujhe raaha ki baariyan wahaan  
Khali hain tere bina dono aankhiyan,  
Tum gaye kahaan  
Female:  
Ek ek baat yaad hai, aadhi raat ke  
Poore chand ko, jaagte hue bhi ho khwab mein  
Chehra ek hai, leti hoon naam do  
Reet ke teeno ki sunti hoon booliyan yahaan  
Male:  
Ahhh...  
Female:  
Khali hain tere bina dono aankhiyan,  
Tum gaye kahaan  
Aankhiyon ke aalon mein, tere bina raat bhar  
Jaalti hain, baatiyaan yahaan  
Khali hain tere bina dono aankhiyan,  
Tum gaye kahaan
