Payal chhanka de toh hosh uda de
Bindiya laga le toh nind chura le
Bijali nigaahon ki sab pe gira de
Jid pe jo aaye toh chain chura le
Phul tu hai toh main hoon kali
Sabke dil ki hoon main mann chali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Phul tu hai toh main hoon kali
Sabke dil ki hoon main mann chali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Catch me if you can
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Chamakta badan
Mera nashila hai pyala
Aise sola baras
Maine isko sambhala
Kisi ke na haath
Main aayungi raaja
Jigar wala hoga ise pinewala
Dur se dekhake le maja tu hai mungada main gudh ki dali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Hawa mein jo apana
Dupatta uda du
Deewano ke dil ki
Main dhadkan badha du
Yeh patali kamariya
Lachak se hila du
Bina piye botal ka
Tujhako maja du
Lut hi jayega up bihar
Thoda itarake main jo chali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
I have a killer look
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Yun hi mujhase aankhein
Jo ladata rahega
Maja jindagi ka tu pata rahega
Mohabbat jo aise badhata rahega
Naye roj sapane sajata rahega
Bhul jayega duniya ke
Ghum roj aayega meri gali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Just hold your breath
Khali wali khali wali khali wali
Phul tu hai toh main hoon kali
Sabke dil ki hoon main mann chali
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Hoodi baaba
Khali wali khali wali khali wali
Khali wali khali wali khali wali
Khali wali khali wali khali wali.
