Khamakha yeh sab armaan mere
Jagne lage hai kyun
Behki behki si saanson ko
Par lagne lage hai kyun
Behoosh se sab raaste
Beparwah hun main yahaan
Lamhe sabhi berangon se
Rangne lage hai kyun
Na hi tu jaane
Na hi main jaanun
Khoye khoye se din raat rehte hai kyun
Hai yeh kaisi khalish
Hai yeh kaisi khata
Harsun hai dil ko teri aarzoo
Roothi roothi si thi yeh
Har shab meri
Baasi baasi si thi meri subah
Tujhko paane si pura hua hoon
Khali khali tha jo mera jahaan
Khamakha lage har baat si
Jo tujhse na ho judi
Khamakha lage meri har khushi
Bewajah bemaatlabi
Khamakha hi hai hona mera
Hona na ho jo tera
Bas tera hi hoke lage
Hun khamakha nahi
Na hi tu jaane
Na hi main jaanun
Khoye khoye se din raat rehte hai kyun
Hai yeh kaisi khalish
Hai yeh kaisi khata
Harsun hai dil ko teri aarzoo
Teri har aadat se hai aadat meri
Teri chahat hi hai ibadaat meri
Aaja main lelu aise teri balayein
Taklefe teri hai raahat meri
Khamakha hi hai saubat meri
Jo teri na ho saki
Khamakha hi hai aanhein bhi
Jo tujh tak na ho gayi
Khamakha hi hai hona mera
Hona na ho jo tera
Bas tera hi hoke lage
Hun khamakha nahi..
