Khabon ke jab khoon risey to
khud hi chakhta hai
Kaise woh apne zakhmo par
Marham rakhta hai

Bedhangi duniya mein kyun
Jazbaaton ke ho saleekhein
Upar upar khamoshi hai

Andar andar chikhein
Andar andar chikhein
Andar andar chikhein
Andar andar chikhein
Upar upar khamoshi hai

Sadiyon se insaani fitrat
Ka ye kissa hai
Jisme zehar nahi usko
Sabne hi kuchla hai
Maaro ya phir mar jaao
Jungle ke do hi tarike
Upar upar khamoshi hai

Andar andar chikhein
Andar andar chikhein
Andar andar chikhein
Andar andar chikhein
Upar upar khamosh...
