Khaamoshiyaan anjaan si  
Thehari nazar lambi kahin  
Ehsaas wo hai laajami  
Gila sa mann, jina vahi  
Kaisi kasak hain dhadakano mein  
Saanso mein aag si hain  
Na jaane kyon tanha hain gumnaam si jindagi  
Yaadon ke pehare hain, kwaabon ke sehare hain, gujare sunehare wo pal  
Bechain arma ye, pal bhar ka mehma hain, ye dil na aise machal  
Gam ka ye mausam hain, waqt hi to marham hain, hairaan hain kyun jindagi  
Khaamoshiyaan anjaan si  
Thehari nazar lambi kahin  
Apne liye jinewaale kya rakhenge auron ke dil ka khabar  
Hain aaj kal tha jo, kal phir ye ho na ho, chalata rahega safar  
Kaatil iraade hain, matlab ke waade hain, majhdaar mein jindagi  
Khaamoshiyaan anjaan si  
Thehari nazar lambi kahin  
Ehsaas wo hai laajami  
Gila sa mann, jina vahi  
Kaisi kasak hain dhadakano mein  
Saanso mein aag si hain  
Na jaane kyon tanha hain gumnaam si jindagi
