Ek omkar wahe guru ji ki fateh shri paghoti ji sahay
Wad shri paghoti ji ki pat sahi daswi
Partham paghoti simar ke guru nanak layi tihay
Phir angad guru te amardas ramdas hoyi sahay
Har jan har govind nu simro shri hardayi
Shri hari krishan te ayiye jis dithe sab dukh jaye
Teg bahadur simariye kar no nidhi awe tahaye
Sabta hi hoye sahaye
Bhanga prithmay saj ke jin sab se saar upaya
Bharhama visnu mahesh sa kudrat ka khel rachaye banaya
Sindhu parwat med ne bin thama gagan rahaya
Sir dewano devte din ambar bat rachaya
Jai hi durga saj ke datya da nash karaya
Datyo hi balram le naal bana eye sarkaya
Datyo hi bal krishan ne keshi pakad giraya
Bade bade muni dev ne kai jug tini tan taya
Kinni tera annt na paya
Sadhu satyug bitiya adhsili reta aya
Nakki kal saros di kal narad doru aya
Aabimaan utaran devtiya mehatasur sundu aya
Beet laye din devte triloki raaz gavaya
Madhya veer akhayeke sir upar chhatar phiraya
Datya inder nikal ke him giri kailash dikhaya
Dar ke hatho dan bhi bil ander paas banaya
Tasurka ke inder aya tasurka ke inder aya
Tasurka ke inder aya
