Hello bappa chal de de ek khoka, matwe se mikka
Krupaya pratiksha kijiye, aap kataar mein hai
Maal o maal sabka maal hamara maal
One time, maal o maal sabka maal hamara maal
Let's go buddy
Do u smell it
Khokha jab haat aayega, collar tight ho jayega
Khokha khushiya layega khokha khokha
Jeb mein jo note ho to duniya salam kare
Apne paraye sabko paisa gulam kare
Jayega jaha bhi tu to log adab se bolenge
Hare hare noto ki jay jaykaar hai
Khokha khokha khokha khokha
Khokha dil jab payega, future bhi ban jayega
Khokha ghum thukrayega khokha khokha
U want it, i want it, come on lets make that honey
U need it, i need it, come on lets take that money
One time, u feel it, i feel it, come on
Saale tu apne aap ko akshay samajhata hai
Gaadi bangla naukar chakar, honge bank mein apne locker
Aish karenge hum miljul kar, note mein hai itna power
Waqt hoga apna better, life kategi apne si kar
Khwaab rahenge pure hokar, note mein hai itna power
Jayega jaha bhi tu to log adab se bolenge
Hare hare noton ki jay jaykaar hai
Khokha khokha khokha khokha
Aisa ho ya waisa, teri jeb mein agar ho paisa
Ladki na bole fir kaisa chaahe patla ho ya paisa
Jeb mein jo note ho toh duniya salam kare
Apne paraye sabko paisa gulam kare
Jayega jaha bhi tu to log adab se bolenge
Hare hare noto ki jay jaykaar hai
Rokda duniya dehla de, rokda pagal bana de
Rokda har ghum mita de rokda rokda
U want it, i want it, come on lets make that honey
U need it, i need it, come on lets take that money
