Khoya khoya chaand hai, kya suhaanee shaam hai
Honto pe ek naam hai, naam hai teraa
O jaaneja aaja naa tadapa
Ho jaan tere naam hai, abb teraa yeh kaam hai
Yaa toh mai jee lu jara, ya ke de du jaan
O jaaneja aaja naa tadapa
Dhalakee dhalakee hai chunar, pyaar se too bekhbar
Chhod duniya kee fikar, aaja aaja aa idhar
Naam leke pyaar kaa, too kadam apne utha
Soch naa anjaam kaa, hoga jo hoga
O jaaneja aaja naa tadapa -2 ho
Le le merree chaahate, dil ko de de raahate
Pyaar ke hain raste, aa khuda ke vaaste
Ishk hee toh hai khuda, ishk se hai kyun juda
Ishk pe duniya fida, sun le yeh sada
O jaaneja aaja naa tadapa
Khoya khoya chaand hai, kya suhaanee shaam hai
Honto pe ek naam hai, naam hai teraa
O jaaneja aaja naa tadapa
Aaja naa tadapa, aaja naa tadapa
Ho aaja naa tadapa, aaja naa tadapa
