Khoya khoya chand hai
Kya suhaani shyaam hai
Hoton pe ek naam hai
Naam hai tera
Oh jaane jaan aaja na tadpa
Oh jaane jaan aaja na tadpa
Oh jaan tere naam hai
Ab tera yeh kaam hai
Ya to main jee loon zara
Ya ke de doon jaan
Oh jaane jaan aaja na tadpa
Oh jaane jaan aaja na tadpa
Dhalki dhalki hai chunar
Pyar se tu bekbhar
Chhod duniya ki fikar
Aaja aaja aa idhar
Oh dhalki dhalki hai chunar
Pyare se tu bekbhar
Chhod duniya ki fikar
Aaja aaja aa idhar
Naam le ke pyaar ka
Tu kadam apne utha
Soch na anjaam ka
Hoga jo hoga
Oh jaane jaan aaja na tadpa
Oh jaane jaan aaja na tadpa
Le le meri chaahatein
Dil ko de de raahatein
Pyar ke hai raaste
Aa khuda ke vaaste
Oh le le meri chaahatein
Dil ko de de raahatein
Pyar ke hai raaste
Aa khuda ke vaaste
Ishq hi to hai khuda
Ishq se hai kyon juda
Ishq pe duniya fida
Sun le ye sada
Oh jaane jaan aaja na tadpa
Oh jaane jaan aaja na tadpa
Khoya khoya chand hai
Kya suhaani shyaam hai
Hoton pe ek naam hai
Naam hai tera
Oh jaane jaan aaja na tadpa
Oh jaane jaan aaja na tadpa
Aaja na tadpa aaja na tadpa
Aaja na tadpa aaja na tadpa.
