O ho ho ho
Khoya khoya chaand, khula aasmaan
Aankhon mein saari raat jaayegi
Tumko bhi kaise neend aayegi Oh oh, khoya khoya chaand, khula aasmaan
Aankhon mein saari raat jaayegi
Tumko bhi kaise neend aayegi Oh ho ho ho, khoya khoya chaand Masti bhari hawa jo chali | 2 |
Khil khil gayi, yeh dil ki kali
Mann ki gali mein hai khalbali
Ke unko toh bulaa O ho ho, khoya khoya chaand, khula aasmaan Aankhon mein saari raat jaayegi
Tumko bhi kaise neend aayegi Oh oh, khoya khoya chaand Taare chale, nazaare chale (x2)
Sang sang mere woh saare chale
Charon taraf ishaare chale
Kisi ke toh ho jao Oh ho ho, khoya khoya chaand, khula aasmaan Aankhon mein saari raat jaayegi
Tumko bhi kaise neend aayegi Oh oh, khoya khoya chaand
Oh, oh oh oh oh, oh oh oh oh oh Aisi hi raat, bheegi si raat (x2)
Haathon mein haath hote woh saath
Keh lete unse dil ki yeh baat
Ab toh na satao Oh ho ho, khoya khoya chaand, khula aasmaan Aankhon mein saari raat jaayegi
Tumko bhi kaise neend aayegi
Oh oh, khoya khoya chaand Hum mit chale jinke liye
Hum mit chale hain jinke liye
Bin kuch kahe woh chup chup rahe
Koi zara yeh unse kahe
Na aise aazmao Oh ho ho, khoya khoya chaand, khula aasmaan Aankhon mein saari raat jaayegi
Tumko bhi kaise neend aayegi Oh oh, khoya khoya chaand, khoya khoya chaand Khoya khoya chaand, khoya
khoya chaand
Khoya khoya chaand, khoya khoya chaand
