Khud se har koi rutha hai
Kuchh sachha kuchh jhutha hai
Duniya me hai tum aur hum
Itni khushiya kya hai gum
Jivan ki hai ye to galiya
Chhodo kate chun lo kaliya
Apno se jo rahte hai jud ke
Unke dil kab tute hai
Sache rishte pyar ke rishte
Baki rishte jhutha hai
Ho jivan ki hai ye to galiya
Chhodo kate chun lo kaliya
Aag lagi hai jo nafrat ki
Wo na dabegi takat se
Are aag lagi hai jo nafrat ki
Wo na dabegi takat se
Ya to bujhegi ye ashko se
Ya to bujhegi chahat se
Jivan ke hai ho ye to galiya
Chhodo kate chun lo kaliya
Are khud se har koi rutha hai
Kuchh sachha kuchh jhutha hai
Duniya me hai tum aur hum
Itni khushiya kya hai gum
