Khujli hai khujli hai khujli hai
Bol bol bol kya to khujli hai
Kya tera naam khujli hai
Ye kya bolega sala
Iska to dhandha hai kala
Asli hu mai ye nakli hai
Hum kale hai to kya hua dil wale hai
Hum kale hai to kya hua dil wale hai
Hum thode thode thode matwale hai
Hum kale hai to kya hua dil wale hai
Phir kaun hai tu phir kaun hai
Kaun hai tu yaha aaya hai kyu
Chakkar me humko fasaya hai kyu
Oye chakkar me humko fasaya hai kyu
Bal na khuja radio bajaa
Bal na khuja radio bajaa
Muh khol shane arey kuch to bol shane
Chor hai kya tu koi chor hai
Teri to hum barat nikalege
Shayad tu janta nahi
Rishte me tere hum kya lagte hai
Maa
Bhai ji pani pio ji biwi ko kahte bahan ji
Bolo bahna ko kahte ho kya ji
Bolo bahna ko kahte ho kya ji
O sajan harjai na to kar aisi bewafai haye
O sajan harjai na to kar aisi bewafai
Ab to ye majak chhodo bahan
Ab to ye majak chhodo
Varna ruth jayenge aapke sajan
Dekho to kitne hai hairan se
Lagte hai kitne pareshan se
Gattha hai ye machhli nahi hai
Badal hai ye bijli nahi hai
Inu mera khujli nahi hai
Arey inu mera khujli nahi hai
Maine kaha tha na tumse natasha
Hoti hai jab mujhse naraj bhai
Life me karti hai yuhi tamasha
Haye ram ye to badi besharam hai
Ek gair ko kahti apna sajan hai
Bandar me bhalu hai bhalu me bandar hai
Satyug bechara to kalyug ke andar hai
Mai sidha sadha hu ulta ye chakkar hai
Kaise mai samjhau kaisa ye antar hai
Humko samjhayega tu nasamjh
Ulti hai fulti hai teri samjh
Aise na samjhe tu waise na samjhe
Tu to laot ghuso ki bhasha samjh
Le laot ghuso ki bhasha samjh
Arey bhasha samjh
Ha bhasha samjh
Ye kya samjhega sala
Iska to dhandha hai kala
Asli hu mai ye nakli hai
Khujli hai khujli hai khujli hai
Ha tu khujli hai.
