Bum bum bhole duniya dole, tu kya bole
Are aaj hum khush
Bum bum bhole duniya dole, tu kya bole
Are aaj hum khush, haan aur aaj hum khush
Yeh mehfil hai deewano ki, mastano ki dilwaalon ki
Aaj hum aaj hum aaj hum maja karenge
Hey khullam khulla khullam khulla khullam khulla o ho khullam khulla
Yeh mehfil hai bas chaahat ki
Raahon mein mili raahat ki
Abb kise padi hai kai ki
Masti mein pyaar muhabbat ki
Aaj jo aaj jo sahi laga wohi karenge
Hey khullam khulla khullam khulla khullam khulla o ho khullam khulla
Bum bum bhole duniya dole, tu kya bole
Are aaj hum khush, haan aur aaj hum khush
Maasuka? duniya dole, maasuka? bum bum bole
Yeh mehfil mauj manaane ki, dil se afsos udaane ki
Duniya ke dard bhulaane ki, aisi ki taisi jamaane ki
Aaj hum aaj hum aaj hum had paar karenge
Hey khullam khulla khullam khulla khullam khulla hey khullam khulla
