Bum bum bhole duniya dole,
Tu kya bole
Are aaj hum khush
Bum bum bhole duniya
Dole, tu kya bole
Are aaj hum khush,
Haan aur aaj hum khush
Yeh mehfil hai deewaano ki,
Mastaano ki dilwaalon ki
Yeh mehfil hai deewaano ki,
Mastaano ki dilwaalon ki
Aaj hum aaj hum aaj hum maja karenge
Hey khullam khulla khullam
Khulla khullam khulla
O ho khullam khulla
Khullam khulla khullam khulla
Khullam khulla o ho khullam khulla
Yeh mehfil hai bas chaahat ki
Raahon mein mili raahat ki
Abb kise padi hai kal ki
Masti mein pyaar muhabbat ki
Aaj jo aaj jo sahi laga bas wohi karenge
Hey khullam khulla khullam khulla
Khullam khulla o ho khullam khulla
Khullam khulla khullam khulla
Khullam khulla o ho khullam khulla
Bum bum bhole duniya dole, tu kya bole
Are aaj hum khush,
Haan aur aaj hum khush
Maasuka bum bum bhole,
Maasuka duniya dole
Maasuka bum bum bole
Yeh mehfil mauj manaane ki,
Dil se afsos udaane ki
Duniya ke dard bhulaane ki,
Aisi ki taise jamaane ki
Aaj hum aaj hum aaj
Hum had paar karenge
Hey khullam khulla khullam khulla
Khullam khulla hey khullam khulla
Khullam khulla khullam khulla
Khullam khulla o ho khullam khulla.
