Khulne lagi zindagi khulne lagi  
Mil gaye mil gaye  
Mil gaye kuch lamhe ummeed ke  
Zindagi ajnabi na rahi  
Gair the ya dost hain  
Hai lamhe ajeeb se  
Khush bhi hain aur khushi bhi nahi  
Khulne lagi zindagi khulne lagi  
Khulne lagi yeh zindagi  
Jo ruki ruki ik saans thi  
Har aur ab udne lagi udne lagi  
Aankhon mein band jo talaash thi  
Har qaid se khulne lagi  
Kyu lafz mile hai  
Par honth sile hai  
Ye jism aur rooh  
Alag si kyun hai  
Alag si kyun hai  
Wo kyu aake kinare par  
Baat ruki hai baat ruki hai  
Bheed bhi hoon  
Tanhaai bhi hoon  
Tere bina tere bina  
Main yahan hoon  
Baraste sawalo ki  
Boondon me ik lamha sa  
Hoon band main  
Hoon band main  
Jo ruki ruki ik saans thi  
Har aur ab udne lagi udne lagi  
Aankhon mein band jo talaash thi  
Har qaid se khulne lagi  
Jo ruki ruki ik saans thi  
Har aur ab udne lagi udne lagi  
Aankhon mein band jo talaash thi  
Har qaid se khulne lagi  
Oo zindagi khulne lagi  
Khulne lagi ye zindagi  
Khulne lagi zindagi  
Zindagi khulne lagi.
