Koi jaane yeh toh na, ki kaisa lgata hai
Jab dil mein koi khaab yuun machalata hai
Lage naamumkin, woh dur sa lage
Par ho jo gar yakin dil mein, woh milata hai
Yeh hai sach, khush hoon main
Mila mujhako hai jo yeh pal hasi sa
Yahi roshani chaahu main
Mulaakaat khud hi se iss tarah se ho gayi
Roko na koi toko na mujhe, khush hoon main
Saare jamaane se yuun dar dar ke
Chhupati rahi sabse bahaane karke
Par sapane toh jaise lehare hai
Inhe roko toh bhi na yeh rukate hain, jo chaahe ho
Mila mujhako hai jo yeh pal hasi sa
Yahi roshani chaahu main
Mulaakaat khud hi se iss tarah se ho gayi
Roko na koi toko na mujhe, khush hoon main
Koi jaane yeh toh na, ki kaisa lgata hai
Jab dil mein koi khaab yuun machalata hai
Lage naamumkin, woh dur sa lage
Par ho jo gar yakin dil mein, woh milata hai
Yeh hai sach, khush hoon main
Mila mujhako hai jo yeh pal hasi sa
Yahi roshani chaahu main
Mulaakaat khud hi se iss tarah se ho gayi
Roko na koi toko na mujhe, khush hoon main
Tu hai woh jo dil mein, saanson mein, khayaalon mein bhi rahe
Najare mila tu, aa mila tu
Tu hai aas paas toh saaj-e-dil bhi gaaye yeh
Najare mila tu, aa mila tu
Yeh hai sach, khush hoon main
Mila mujhako hai jo yeh pal hasi sa
Yahi roshani chaahu main
Mulaakaat khud hi se iss tarah se ho gayi
Roko na koi toko na mujhe, khush hoon main
Tu hai aas paas toh saaj-e-dil bhi gaaye yeh
Tu hai woh jo dil mein, saanson mein, khayaalon mein bhi rahe
Mulaakaat khud hi se iss tarah se ho gayi
Roko na koi toko na mujhe, khush hoon main
