Ho mere liye tum pareshan kyun ho, meree chinta me tum hairan kyun ho
Abb man lo meraa kahna o ho ho, mai achchha hu mai thik hu
Tumhe kasam hai tum khush rahana, khush rahana
Tumhe kasam hai tum khush rahana
Mai achchha hu mai thik hu, tumhe kasam hai tum khush rahana
Jau kahee bhee rahu kahee mai, pal bhar tumase dur nahee mai
Tumane mujhe jab yad kiya hai, jab jab meraa nam liya hai
Mujh tak woh aavaj hai aayee, khushbu tumhari sath hai layee
Samjho agar toh sach kahata hu, tumako yaha se chhu sakata hu
Ham hai itane pas toh phir kyun duree ke dukh sahana sahana
Mai achchha hu mai thik hu, tumhe kasam hai tum khush rahana
Dhum ta naa dhum ta naa dhin ta naa de re naa - 4
Tum jo vaha ho mai jo yaha hu isaki vajah kya tumako batau
Man dharatee ko jo hai mana maine itna hee jana hai
Iss aanchal par aanch naa aaye sada tiranga hee lahraye
Dil me hai jinake beimani unko bat hai yeh samjhani
Dhum ta naa dhum ta naa dhin ta naa de re naa
Naa toh himalay kabhee jhukega naa ganga chhodega bahana
Laut ke aao ya nahee aao, tumhe kasam hai tum khush rahana
Tumhe kasam hai tum khush rahana
