Khul ke muskurale tu
Dard ko sharmane de
Boondon ko dharti par
Saaz ek bajane de
Hawayen keh rahi hain
Aaja jhoolein zara
Gagan ke gaal ko
Jake chhoole zara
Utaar gham ke moze
Zamein ko gungunane de
Kankaron ko talwon main
Gudgudi machane de
Khul ke muskurale
Saaz ek bajane de
Jhil ek aadat hai
Tujh me hi to rehti hai
Aur nadi shararat hai
Tere sang behti hai
Har lehar yeh kehti hai
Khud ko jhoom jane de
Zindagi ko aaj haya git koi gane de
Khul ke muskurale saaz ek bajane de
Bansuri ki khidkyon pe sur
Yeh kyon thithakte hain
Ankh ke samander kyon
Bewajah chalakte hain
Titliyan yeh kehti hain
Ab basant aane de
Jungalon ke mausam ko
Bastiyan mein chane de
Khul ke muskurale saaz ek bajane de.
