Khwabfaroshi jiyara dagha de  
Jiske sang naa lagaa re uska saga ye  
Khanabadoshi naina banjaare  
Dhoonde tujhmein thikane zidd pe jiya re

Jiyara bhatkaaye  
Bewajah tadpaaye

Yeh lade tujhi se bewafaa  
Yeh adde tujhi pe har dafaa  
Tu falak hoon main zameen jaise  
Yeh falak yeh ik kami jaise

Dhokhebaazi waala kaarobaar yeh  
Khokhebaazi jeeta kyun yeh pyar hai

Khwabfaroshi uljhe sitaare  
Haathon ki ye laqerein juda do kinaare  
Khanabadoshi raah lapata re  
Jiska ho na saka main uske hawaale

Baatein thi ankahi  
Kehni thi na kahi  
Kya thi main ghalat ya sahi  
Tera mera kya vassta  
Doraah hai yeh raasta  
Jab bhi aaye tu saamne  
Kyun baney phir wohi daastan

Lagi tujhmein mujhmein hod hai koi  
Koi thaame chhod de koi  
Jaane kyun hum aise mod pe miley  
Sirf dhoonde shiqwe gile

Seenazori wala iqraar hai  
Ki na chori haaye izhaar hai  
(Izhaar hai, izhaar hai, izhaar...)  
(Izhaar hai, izhaar hai, izhaar...)

Khwabfaroshi aag lagaaye  
Ruaan ruaan jaise dhuaan dhuaan jaaye  
Khanabadoshi khon badhaaye  
Kaante kaante chubhte raatein raatein jaaye  
Jhoothi moothi kasmeyin aadhe aadhe vaade  
Tooti phooti rasmeinyin betuke iraade

Khwabfaroshi aag lagaye  
Ruaan ruaan jaise dhuaan dhuaan jaaye

Khwabfaroshi uljhe sitaare  
Haathon ki ye laqerein juda do kinaare  
Khanabadoshi raah lapata re  
Jiska ho na saka main uske hawaale
