Khwabo si jo ek baat thi
Aaj woh sach hui
Khwabon si jo ek baat thi
Aaj woh sach hui
Dil me kahi jo aas thi
Kal woh rang layegi
Sab ko hai yakin yaha
Woh subah aayegi
Tufan hai hum apna hunnar malum hai
Hum ko yaha jis or bhi hum chal pade
Rasta naya milta waha
Na na na
Dabi hui si jo aag thi
Subah hui to jal padi
Har zor door tak
Roshni bikhari gayi
Suraj kahe jab hausla
To kyu bala hum chup rahe
Jo hai kisi diwar ho
Piglake hum ab kyu sahe
Na na na
Yaha waha jaha bhi dekha hai
Nazar nazar gazab ki tewar hai
Ulagi hai chand mohoro ki
Eet ka jawab pattar hai
Sama samah adhik chad jaye
Inkilab aaj ayega
Josh sarfire iraadon ka
Aaj dekho rang layega
Milo ki jo raah thi
Aaj woh tayi hui
Kal se aaj ki
Duriya seemat gayi
Badli zamin ye aasman
Niklega ab suraj naya
Charo taraf hai khalbali
Hona to jo woh ho gaya
Na na na
Khwabo si jo ek baat thi
Aaj woh sach hui
