Khwabon ki baarish mein  
Bhiga hoon raat bhar  
Zare zare mein tu hi  
Tu aaye kyun nazar  
Khwabon ki baarish mein  
Bhiga hoon raat bhar  
Zare zare mein tu hi  
Tu aaye kyun nazar  
Khud se hi khud ajnabi  
Sa ho gaya hoon  
Khud ko hi dhundhta hoon  
Main khud mein hi kho gaya hoon  
Jaane kyun in aankhon  
Mein tera intazaar hai  
Kya mujhe hone laga  
Ab tumse pyar hai  
Jaane kyun in aankhon  
Mein tera intazaar hai  
Kya mujhe hone laga  
Ab tumse pyar hai oo  
Khwabon mein khayalo mein tanhaa  
Raaton mein ujalo mein mehki hawao mein  
Ghatao mein tu hi hain jaane jaa  
Meri tanhaai mitade mujhko gale se laga le  
Soi soi raato ko meri tu jagave  
Tu hain meri zindagi hain kya tujhe khabar  
Chahat ne teri mujhe aisa kiya asar  
Khud se hi khud ajnabi sa ho gaya hoon  
Khud ko hi dhundhta hoon  
Main khud mein hi kho gaya hoon  
Jaane kyun in aankhon  
Mein tera intazaar hai  
Kya mujhe hone laga  
Ab tumse pyar hai  
Jaane kyun in aankhon  
Mein tera intazaar hai  
Kya mujhe hone laga  
Ab tumse pyar hai oo  
Duaaon mein saddao mein tu hain  
Pal pal aahon mein tu hai  
Dil ki hasrato mein tu hi tu hain jaane jaa  
Tere bin suni hain raah  
Tere bin khali hain baahin  
Bikhare bikhare sapno ko mere tu sajave  
Zulfon mein teri bas ho mera basar  
Rehti ho mujh mein  
Tum yun hi shamo shaher  
Khud se hi khud ajnabi sa ho gaya hoon  
Khud ko hi dhundhta hoon  
Main khud mein hi kho gaya hoon  
Jaane kyun in aankhon  
Mein tera intazaar hai  
Kya mujhe hone laga  
Ab tumse pyar hai  
Jaane kyun in aankhon  
Mein tera intazaar hai  
Kya mujhe hone laga  
Ab tumse pyar hai oo.
