Haaye haaye haaye haaye  
Dekhi humne beech bajariya  
Jugni jaise koi dujariya  
Apne mann ki baat sunaaye  
Jugni naache jugni gaaye  
Suno daastaan yeh meri  
Suno meri yeh kahaani  
Koi mera tha deewana  
Main bhi jiski thi deewani  
Haai kaise the iraade  
Jeene marne ke the vaade  
Todi thi duniya ki rasmein  
Khaayi thi ulfat ki kasmein  
Maine khaayi kasam thi sachchi  
Maine khaayi kasam thi sachchi  
Par uski kasam thi kachchi  
Ke tut gayi tadak karke  
Ke tut gayi tadak karke  
Haai ke tut gayi tadak karke  
Ke tut gayi tadak karke  
Jab woh milne ko aata tha  
Mere kaise gud gaata tha  
Mujhko hoor pari kehta tha  
Mujhko dekhta hi rehta tha  
Kehta tha jo bhi ho jaaye  
Hum na honge kabhi paraaye  
Chaahe saari duniya roke par  
Yeh milan rahega hoke  
Tere pyaar mein woh jaadu hai  
Ke ab dil mein tu hi tu hai  
Daaka daala na ki chori  
Maine pyaar kiya hai gori  
Chhodoonga na baiyyaan tohri  
Chhodoonga na baiyyaan tohri  
Par aisi thi pyaar ki dori  
Ke tut gayi tadak karke  
Ke tut gayi tadak karke  
Haai ke tut gayi tadak karke  
Ke tut gayi tadak karke  
Jab thi main uski mannchaahi  
Main manzil thi woh tha raahi  
Main dhadkan thi woh mera dil  
Main thi laher woh mera saahil  
Kaise din the kaisi raatein  
Kaisi pyaari thi woh baatein  
Kaisi mauj mein hum rehte the  
Kaise khoye se rehte the  
Kaise roothte aur mante the  
Kaise jhoot moot bante the  
Aankhon mein hai woh tasveerein  
Dil par chalti hai shamsheerein  
Yaad aati hai woh dildaarein  
Yaad aati hai woh dildaarein  
Par jhooti thi uski laarein  
Ke tut gayi tadak karke  
Ke tut gayi tadak karke  
Ke tut gayi tadak karke  
Ke tut gayi tadak karke.
