Kisee roj tumase mulaakaat hogee  
Meree jaan uss din mere saath hogee  
Magar kab naa jaane yeh barsaat hogee  
Meraa dil hai pyaasa, meraa dil akela  
Jara tasvir se too nikalake saamane aa, meree mehbuba  
Meree takdir hai too machalke saamane aa, meree mehbuba  
Meree mehbuba, meree mehbuba.....  
Jara tasvir se too nikalake saamane aa, meree mehbuba  
O bla dee dee dee, o bla da da da  
O bla do do do, what toh do  
O bla dee dee dee, o bla da da da  
O bla do do do, we luv u  
Nahee yaad kabse magar mai hu jabse  
Mere dil me teree mohabbat hai tabse  
Mai shaayar hu teraa, too meree ghajal hai  
Badee bekaraaree mujhe aaj kal hai
