Kisi roz mangi thi tumne dua  
Khuda ya mera aashik bana  
Tumhari dua ho gayi hain kubul  
Bana lo mujhe apne gajre ka phool  
Dekh lo ek jhalak  
Sar se paaw tak  
Ek najara hoon main  
Bas tumhara hoon main  
Hai meri arzu leke mera lahu  
Leke mera lahu  
Hoth tum apne lal karo  
Tum mujhe istemal karo  
Tum mujhe istemal karo  
Ye chunar chhod do ye najar tod lo  
Pahan lo pyar ke baho ke haar ko  
Resmi zulfo se bandh lo tum ujhe  
Chahe dil jod do chahe dil jod do  
Mera chahe jo haal karo  
Tum mujhe istemal karo  
Tum mujhe istemal karo  
Main jiu ya maru hukam do kya karu  
Main gulami karu main salami karu  
Maj bichhona banu main khilona banu  
Kuch bana lo mujhe ajmalo mujhe  
Kuch bana lo mujhe ajmalo mujhe  
Mujhse koi sawal karo  
Tum mujhe istemal karo  
Tum mujhe istemal karo  
Ishk ke josh me tum nahin hosh mein  
Chudiya tod di ungaliya mod di  
Mera aachal hata mera kajal baha  
Ye sarafat hain kya  
Ye mohabbat hain kya  
Ye sarafat hain kya  
Ye mohabbat hai kya  
Haye kuch to khayal karo  
Akal ko istemal karo  
Akal ko istemal karo  
Tum mujhe istemal karo  
Tum mujhe istemal karo.
