Kismat mein bichhadana tha  
Hui kyon unse mulakat re  
Na ruth tu mujhse pyar ke  
Mera dil nahi mere hath re  
Kismat mein bichhadana tha  
Hui kyon unse mulakat re  
Tu kon hai ye maloom nahi  
Tu kon hai ye maloom nahi  
Phir dil kyo tujhe bulata hai  
Tagadir ne chhoda sath magar  
Tu chhod na mera sath re  
Kismat mein bichhadana tha  
Hui kyon unse mulakat re  
Main apana sab kuchh kho baitha  
Main apana sab kuchh kho baitha  
Kya pyar mein tera bichhada re  
Tu aake dekh ik bar hai meri  
Ankaho mein barasat re  
Kismat mein bichhadana tha  
Hui kyon unse mulakat re  
Yaad aake na rasta rok mera  
Yaad aake na rasta rok mera  
Mujhe jane de, mujhe jane de  
Ik bar laut ke a tham le  
Aakar mera hath re  
Kismat mein bichhadana tha  
Hui kyon unse mulakat re.
