Gabru kuwareyan nu maar sutteya,
Ni teri athri jawani ne,
Phul jad turdi de lakk utte wajje
Tere gut di parandi de,
Hun janda naiyo mitran ton reh,
Ik dil wali gal mainu keh,
Dasde mainu thaān ni tu jithon di ae,
Patt leya gabru tu,
Ni das mainu kithon di ae,
Vaddiye majajaan waliye,
Ni das mainu kitho di ae,
Haan haan haan
Ni das mainu kitho di ae
Haan haan haan
Ni das mainu kitho di ae
Tenu akhaan di pataari wich band kar lau,
Jiwein naina wali lo,
Tere dil wich thaān ni main lab launga,
Bhawein kuch vi jaawe ho,
Rakhaan-rakhaan main saahan ton nede tainu,
Na sakaan-sakaan main,
Kar door tenu,
Hun janda naiyo mitra ton reh,
Ik dil wali gall mainu keh,
Mithiye dasde raah ni tu kitho di ae,
Patt leya gabru tu,
Ni das mainu kitho di ae,
Vaddiye majajaan waliye,
Ni das mainu kithon di ae,
Haan haan haan
Ni das mainu kitho di ae
Haan haan haan
Ni das mainu kitho di ae
Aena kar na tu kehar,
Munda baitha pura kaim
Gallan hon ton vi pehla tu mukayi naa,
Billo sada hun time,
Dilon kadd de tu veham,
Ainve lareyan de chakkrān ch payi,
Paiyan jad pairan wich jhanjran,
Ni tu chhan-chhan kardi phiren,
Chhan-chhan sun tera yaar ni,
Tenu kithe-kithe labda phire,
Lakhaan-lakhaan ne, par mainu ta disdi tu,
Takaan-takaan main, bas tainu,
Hun janda naiyo mitran ton reh,
Ik dil wali gal mainu keh,
Dasde mainu thaān ni tu jithon di ae,
Patt leya gabru tu,
Ni das mainu kithon di ae,
Vaddiye majajaan waliye,
Ni das mainu kitho di ae,
Haan haan haan
Ni das mainu kitho di ae
Haan haan haan
Ni das mainu kitho di ae.
Das kithon aayi meri jaan.
