Koi kuchh bhi kahe pyare  
Magar ye bat pakki hai  
Yaha aata hai wo jis par  
Koi ilzam hota hai  
Ha shabab koi na koi tha  
Jo yu khinchkar chale aaye  
Ye to kismat hai meri jaa  
Varna kaun apni khushi se aaye yaha  
Dane dane pe naam hota hai  
Wahi dane hume le aaye yaha  
Ye to kismat hai meri jaa  
Varna kon apni khushi se aaye yaha  
Dane dane pe naam hota hai  
Wahi dane hume le aaye yaha  
Ye to kismat hai meri jaa  
Yaar apna ek imamamu din tha  
Manchala tha aur bahut shaukin tha  
Ha sath chopati gaye hum ghumne  
Arey husn walo pe laga wo jhumne phir  
Kabhi ladki ko yu bulata tha  
Dhire dhire siti bazata tha  
Dhire dhire siti bazata tha  
Gagna zamuna ke gane gata tha  
Raz ki tarha muskurata tha  
Ek ladki ko zara,  
Ek ladki ko zara jhadi si  
Pehne huye wo kali sadi si  
Uski aankho me deep jalte the  
Dekhne wale aankhe malte the  
Rat soyi thi uske balo me  
Chand hansta tha gore galo me  
Aayi shamat use salam kiya  
Usne chappal se apni kam liya  
Ha ched khani ka maaza mehanga pada  
Aur humko pyare jel me aana pada  
Ye to kismat hai meri jaa  
Varna kon apni khushi se aaye yaha  
Dane dane pe naam hota hai  
Wahi dane hume le aaye yaha  
Ye to kismat hai meri jaa  
Dhokha diya nasib ne bankar bigad gaya  
Aaye haye arey kadke ki  
Jeb me jo mera hath pad gaya to phir  
Kholkar dekha pocket khali tha  
Pocket wala bhi khud shawali tha  
Band kagaj me dil ki tehrire  
Husn walo ki chand takdire  
Apni kismat ke rang aise the  
Ek sigret thi char paise the  
Char paiso me gujar kab hoti  
Husn walo ki nazar kab hoti  
Unhe daulat se pyar hota hai  
Inki bala se koi rota hai  
Aaya gusa to pocket phenk diya  
Pocket wale ne mujhko dekh liya  
Ha bhagna chaha magar mai gir pada  
Jaise utha muh pe ek thappad pada  
Ha apne peshe se huyi nafrat mujhe  
Jel me karni padi kasrat mujhe  
Ye to kismat hai meri jaa  
Varna kon apni khushi se aaye yaha  
Dane dane pe naam hota hai  
Wahi dane hume le aaye yaha  
Ye to kismat hai meri jaa  
Baap zinda tha bahut aaram tha  
Ghar me apna ramchandrar naam tha  
Aur ab hume ab ramu dada kahte hai  
Chal me gangu ki hum rahte hai  
Aye ji mandir Ka dhandha hota tha  
Apni masti me banda sota tha  
Yuhi phokat me kam chalta tha  
Kale ghode tak naam chalta tha  
Dil me chahat thi badi shehre ki  
Aane wali thi ghadi phere ki  
Ha ma kasam apna ye dil kala nahi  
Dosto ki bat ko tala nahi

Ha laye is masling ka sona  
Chal me ramchandra ko fasaya jal me  
Ye to kismat hai meri jaa  
Varna kon apni khushi se aaye yaha  
Ye to kismat hai meri jaa  
Varna kon apni khushi se aaye yaha  
Dane dane pe naam hota hai  
Wahi dane hume le aaye yaha  
Ye to kismat hai meri jaa.
