Koyi raasta dikhata nahi hai phir bhi  
Kisi aas se koyi waasta nahi phir bhi  
Chala hu leke -2, tujhe yaadon ke kaarwaan mein  
Bhare waadon se iss jahaa mein  
Saari yaadon se, saare waadon se hum ho juda  
Juda ho phir bhi -2 khuda hai phir bhi  
Mere ham kadam yeh raaste, sang chal pade hai kahin  
Koyi nahi apna pata, koyi manjile bhi nahi  
Par hai yakin hogi koyi meri apni ik jameen, hogi koyi  
Koyi aasmaan apna nahi hai phir bhi  
Kuchh paane ka sapna nahi hai phir bhi  
Chala hu leke -2, tujhe yaadon ke kaarwaan mein  
Bhare waadon se iss jahaa mein  
Saari yaadon se, saare waadon se hum ho juda  
Juda ho phir bhi -2 khuda hai phir bhi  
Kuchh baatein hai jo chal rahi sehami si yu koyi aa  
Behaki behaki baatein karein yeh waadiya mere saath  
Saanson mein bhar kar ik sada chalti hai hawa mere saath  
Parvat ke unche bampar mujhe le jaaye tere paas  
Nahi tu phir bhi, kahin tu phir bhi  
Tujhe yaadon ke kaarwaan mein, bhare waadon se iss jahaan mein  
Saari yaadon se, saare waadon se hum ho juda  
Juda ho phir bhi -2 khuda hai phir bhi
