Hmmm! Kuch iss tarah  
Kuch iss tarah  
Ae raat tham zaraa  
Kuch iss tarah Kuch is tarah  
Kuch is tarah  
Ae raat tham zaraa  
Kuch is tarah  
Do jism se ek jaan mein  
Dhal jaaye hum zara  
Kuch iss tarah Ye jo chand ik lageer sa hai aasmaan par  
Yunhi aankh mein meri reh chamakta raat bhar Ae baadalon zaraa si tum se ilteja hai yeh  
Fanaa na ho ummeed ke sitaare doob kar Kuch iss tarah  
Kuch iss tarah  
Ae raat tham zaraa  
Kuch iss tarah  
Do jism se ek jaan mein  
Dhal jaaye hum zara  
Kuch iss tarah Alvida humko kahe  
Muskura ke maut bhi  
Thodi si saansein chhupa le  
Seene mein kahin Jee le aa ikk raat mein  
Umr bhar ki zindagi  
Koi bhi pal reh na jaaye  
Jeene mein kahin Kuch iss tarah  
Kuch iss tarah  
Ae raat tham zaraa  
Kuch iss tarah  
Do jism se ek jaan mein  
Dhal jaaye hum zara  
Kuch iss tarah Rooh ki parwaaz pe hai parindey ishq ke  
Humko chaahat ki nazar se dekh aasmaan  
Aankh mein jo ashq hai  
Chand ko bhi rashk hai  
Likh rahe hain pyar ki hum aisi daastan Kuch iss tarah  
Kuch iss tarah  
Ae raat tham zaraa  
Kuch iss tarah  
Do jism se ek jaan mein  
Dhal jaaye hum zara  
Kuch iss tarah
