Kuchh ham bhee paagal hain, kuchh tum bhee ho divaane
Naa tumako koyee samajhe, naa hamako koyee jaane
Ham log aise niraale hain, dil jo bhee kah de woh karate hain
Ham dekh ke jisako jinda hain, sach puchho toh usape marate hain
Ham hain jo manachale, ham hain woh diljale
Jivan kee raah me jo dur hain chale
O yaad karoge hame maan lo, kuchh ham bhee.....
Maana hoge tum kahee aur ham kahee, phir bhee gham nahee
Jaaye chaahe ham kahee aayengee vahee yaade sab hasin
Yaade jo aayengee kuchh aise chhaayengee
Bite din raat kee tasvire laayengee
Din rat inn aankho me maan lo
Shiki da da da shiki shiki
Jaana chaahe tum jaha sochana vaha kya tha woh sama
Kaisa tha woh gulistaan jisakee daastaan dil me hai javan
Han yeh pal aur yeh sama paayenge ham kaha
Yaad aayega hame apana yeh gulistaan
Har har kadam raaho me maan lo
Kuchh ham bhee.....
Maan lo
