Kuchh meree najar madhosh hai, kuchh teree najar mastanee
Milate hee yeh nigahе, mai toh hone lagee divanee
Too hee bata dil se mere kaisee sada yeh aai
Sapane mere araman mere lene lagee angadayee
Kabhee jhumu mai, kabhee gau mai
Hui apane se bhee beganee
Kuchh meree najar madhosh hai
Jalane lage man me diye dekhee niralee rahe
Jane kahan rahe nayee mujhako piya le jaye
Kaisa jadu hai kaisee mastee hai, hona jaye koi nadanee
Kuchh meree najar madhosh hai
