Kabhee idhar hai, kabhee udhar hai  
Kisee ko apanee nahee khabar hain  
Koyee yeh mohare badal raha hain  
Gira hai koyee sambhal raha hain  
Kahe jo ham ek baar sun le, hamaare dil kee pukaar sun le  
Sun le re sun le re sun le  
Yeh teraa ghar yeh meraa ghar, yeh meraa ghar yeh teraa ghar  
Ey yaar naa aisee baate kar  
Mil jaaye koyee dilwaala agar  
Kuchh pyaar bhee kar, kuchh pyaar bhee kar  
Koyee karodo kama raha hain -2, koyee karodo gawa raha hain  
Kahee pe duniya lutee huvee hain, kahee pe mehfil sajee huvee hain  
Lutaade khud ko ke jo nibhaana le  
Jo tere bas kaa hain too bhee kar le  
Kar le re kar le re kar le  
Yeh teraa ghar yeh meraa ghar  
Ey yaar naa aisee baate kar  
Mil jaaye koyee dilwaala agar  
Kuchh pyaar bhee kar, kuchh pyaar bhee kar  
Har ek pal ko savaar le too  
Ho har ek pal ko savaar le too, ke jindagee ko nikhaar le too  
Ada ada me koyee maja hain, ke chaahato me bada maja hain  
Ladaayee jhagade naa apane sar le, too apanee life ko set kar le  
Kar le re kar le re kar le  
Yeh teraa ghar yeh meraa ghar, yeh meraa ghar yeh teraa ghar  
Ey yaar naa aisee baate kar  
Mil jaaye koyee dilwaala agar  
Kuchh pyaar bhee kar, kuchh pyaar bhee kar
