Attention attention attention  
Tum jo phirte ho lambi caron me  
Rehte ho mehalo se makano me  
Tum bura kehte ho hamako yaro  
Jhank lo apane girebano me attention  
Phir saval aur jawab kar lo tum  
Aaj hamase hisab kar lo tum  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Sath hai duniya tumhare  
Sath hai duniya tumhare  
Dil humhare sath hai  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Sath hai duniya tumhare  
Dil humhare sath hai  
Sath hai duniya tumhare  
Dil humhare sath hai  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Tumane khushiya kharidi hain bajar me  
Hamane ranginiya payi hain pyar me  
Payi hain pyar me payi hain pyar me  
Tumako woh sukh jo bikte hain sare mile  
Hamako yari mili dost pyare mile  
Dost pyare mile dost pyare mile  
Tumako paisa mila toh yeh andaj hai  
Hamako apane hi upar magar naj hai  
Hamako apane hi upar magar naj hai  
Hamako apane hi upar magar naj hai  
Hu tum chale toh sath yeh  
Dar hai ki tum lut jaoge  
Hu tum chale toh sath yeh  
Dar hai ki tum lut jaoge  
Ham chale toh sath ummido ki ik barat hai  
Ham chale toh sath ummido ki ik barat hai  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Kaun ho tum kaha se aaye ho  
Bat karane ki bhi tamij nahi  
Hai jamana hamari thokar me  
Tum ho kya tum toh koi chiz nahi  
Hujur itna naa kariye gurur daulat par  
Yeh shisha chhan se kisi roj tut jayega  
Jamane bhar ko hai luta hujur ne lekin  
Yeh banda apko ik roj lut jayega  
Khud ko jyada na bekarar kare  
Aap uss din kaa intejar kare  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Tumane mana ki tum lutere ho  
Par bura hamako kehte rehte ho  
Ham bure kyun hain tum bhale kyun ho  
Tum jo kehte ho kyun woh kehte ho  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Tum sharafat ke parde ke piche chhupe  
Sau gunaho ki mehfil sajate rahe  
Sajate rahe sajate rahe  
Hamane jo bhi kiya saf khul ke kiya  
Ham hain kya ham yeh  
Sabko batate rahe batate rahe  
Tumane jo bhi kiya  
Jurm hai woh bada  
Hamane toh woh kiya hai  
Jo karana pada  
Hamane toh woh kiya hai  
Jo karana pada  
He hamane jo bhi hai kiya  
Woh din dahade hai kiya  
Hamane jo bhi hai kiya  
Woh din dahade hai kiya  
Tumane sab kuchh hai kiya  
Jab chai kali raat

Tumane sab kuchh hai kiya  
Jab chai kali raat  
He kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
He kuchh tumhare hath hai  
Aur kuchh hamare hath hai  
Sath hai duniya tumhare  
Dil humhare sath hai  
Sath hai duniya tumhare  
Dil humhare sath hai  
Kuchh tumhare hath hai  
Aur kuchh hamare hath hai.
