Mere mann chal duniya se ab door chale
Raahon ki ungli thaame chalte chale (x2) Na khushi aur na gham ho jahaan
Dhoond le koi aisi jagah Kya khoya kya paaya
Itna kyun soche hai
Tu hai nadiya, tu hai dariya
Kyun khudko roke hai (x2) Jo ho gaya hai woh hona tha
Jo ho raha hai woh hoyega
Kaahe hai kose laqeroon ko
Paayega wohi jo boyega
Ho naye kuch savere jahaan
Dhoond le koi aisi jagah Kya khoya kya paaya
Itna kyun soche hai
Tu hai nadiya, tu hai dariya
Kyun khudko roke hai (x2) Kadmon ko kar apne awaara
Mausam na honge ye dobara
Jeet na paayega woh jag mein
Khud se jo pehle se ho naara
Kuch naye se woh sapne jahaan
Dhoond le koi aisi jagah Kya khoya kya paaya
Itna kyun soche hai
Tu hai nadiya, tu hai dariya
Kyun khudko roke hai (x2) Mere mann chal duniya se ab door chale
Raahon ki ungli thaame chalte chale (x2) Na khushi aur na gham ho jahaan
Dhoond le koi aisi jagah Kya khoya kya paaya
Itna kyun soche hai
Tu hai nadiya, tu hai dariya
Kyun khudko roke hai (x2)
