Yeah oh right  
Kya maine socha aur kya huwa  
Kya dil ne chaha aur kya mila  
Ab jeet kaisi aur haar kya  
Kispe bharosa aitbaar kya  
Phir bhi dil me aas hai  
Aankho me talash hai  
Tum jo saath ho ik subah aayegi  
Roshni jo layegi ho  
Ab ki jo raat ho  
One love har tan kahe  
One love mil kar rahe  
One love ik aasman ha ik jaha  
One love naya josh hai  
One love nayi soch hai  
One love hame hai yakin  
One love is all we need  
It's late at night i am still wide awake  
Babe this is far more than i can take  
I got my eyes closed never pray  
Now i know that's one big mistake  
I refuse to give up i refuse to give in  
Ho uh huh you're my everythin'  
I don't wanna give up i don't wanna give in  
Oh no everybody stay  
One love for the mother's pride  
One love for the times we cried  
One love got to stay alive i will survive  
One love for the city streets  
One love for the hip hop beats  
One love for i do believe  
One night is all we need  
That's right  
Baby just love me love me love me  
Baby just hold me hold me hold me  
Oh love me love me love me  
Aa  
One love baby just love me love me love me  
Just hold me hold me hold me  
Oh love me love me love me  
Aa aa  
One love for the mother's pride  
One love for the times we cried  
One love got to stay alive i will survive  
One love for the city streets  
One love for the hip hop beats  
One love oh i do believe  
One love is all we need  
One love dhadkan kahe  
One love milkar rahe  
One love ek aasman ha ik jaha  
One love naya josh hai  
One love nayi soch hai  
One love hamein hai yakin  
One love is all we need
