Yeah oh right
Kya maine socha aur kya huwa
Kya dil ne chaaha aur kya mila
Ab jeet kaisi aur haar kya
Kispe bharosa aitbaar kya
Phir bhi dil mein aas hai
Aankhon mein talaash hai
Tum jo saath ho ik subaah
Aayegi roshni jo laayegi ho..
Ab ki jo raat ho
One love har tan kahe
One love mil kar rahe
One love ik aasman
Haan ik jahaan
One love naya josh hai
One love nayi soch hai
One love hamein hai yakeen
One love is all we need
Itâ€™s late at night i am
Still wide awake
Babe this is far more
Than i can take
I got my eyes
Closed never pray
Now i know thatâ€™s
One big mistake
I refuse to give up
I refuse to give in
Ho.. Uh huh youâ€™re
My everything
I donâ€™t wanna give up
I donâ€™t wanna give in
Oh no everybody stay
One love for the motherâ€™s pride
One love for the times we cried
One love got to stay
Alive i will survive
One love for the city streets
One love for the hip hop beats
One love for i do believe
One night is all we need
Thatâ€™s right
Baby just love me love me love me
Baby just hold me hold me hold me
Oh love me love me love me
One love baby just love
Me love me love me
Just hold me hold me hold me
Oh love me love me love me
One love for the motherâ€™s pride
One love for the times we cried
One love got to stay
Alive i will survive
One love for the city streets
One love for the hip hop beats
One love oh i do believe
One love is all we need
One love dhadkan kahe
One love milkar rahe
One love ek aasman
Haan ik jahaan
One love naya josh hai
One love nayi soch hai
One love hamein hai yakeen
One love is all we need.
