Everytime i seen you
Everytime i come in romance
I m sure i m falling for your
Losing in love
Come with me feel those
Kyun kyun kyun
Kyun haan kyun
Na jane kyun my
Dil beats for you
Dil kyun dhadkata hai
Kyun kyun kyun
Kyun pyar hota hai
Kyun kyun kyun
Seene me dard ye hota hai
Bar bar kyun kyun kyun
Dil kyun dhadkata hai
Kyun kyun kyun
Kyun pyar hota hai
Kyun kyun kyun
Seene me dard ye hota hai
Bar bar kyun kyun kyun
Ye jo silsila h naya
Isme sab kho gaya
Ankho se ruth kar
Nind bhi chal padi
Dil me charo taraf aag si
Jal padi h ye muskil ghadi
Dil kyun dhadkata
Hai kyun kyun kyun
Kyun pyar hota hai
Kyun kyun kyun
Seene me haan
Dard ye hota hai
Bar bar kyun kyun kyun
Tujhe jab main dekhu
Tujhe kuch to hota hai mujhe
Tu meri soch hai
Mera ehsas hai haan
Mujhme شامل hai tu tu
Mere pas hai
Bas tuhi khash hai
Dil kyun dhadkata hai
Kyun kyun kyun
Kyun pyar hota hai
Kyun kyun kyun
Seene mein dard ye hota hai
Bar bar kyun kyun kyun
Everytime i seen you
Everytime i come in romance
I m sure i m falling for your
Losing in love
Come with me feel those.
