Kyoon darrti ho jaane tamanna
Jaan pe khelenge hum
Sanam kabhi tum na darrna, tum na darrna
Saath mein jab hain hum
--female--
Jeete hain tum pe jaane tamanna
Marte hain tum pe hum
Piya kabhi door na jaana, door na jaana
Saath nibhaana tum
Aa aa aa aa aa
--male--
Chaahe toofaan pe toofaan aaye
Chaahe mushkil mein jaan pad jaaye
Darrna nahin jaanam
--female--
Reh rehke mann ghabraaye
Jaane kyoon dil darr jaaye
Kaisi hai yeh uljhan
--male--
Saath jeeyenge, saath mareng
Vaada raha yeh sanam
Sanam kabhi tum na darrna, tum na darrna
Saath mein jab hain hum
--female--
Piya kabhi door na jaana, door na jaana
Saath nibhaana tum
Aa aa, aa aa, aa aa aa
Nas nas mein tum rehte ho
Rag rag mein tum behte ho
Tumse hi hai tan mann
--male--
Tumse hi hai apni saansein
Tumse hi apna dil hai
Tumse hi hai dhadkan
--female--
Pyaar kiya hai, pyaar karenge, ho
Pyaar kiya hai, pyaar karenge
Judaa na honge hum
Piya kabhi door na jaana, door na jaana
Saath nibhaana tum

Kyoon darrti ho jaane tamanna, ho
Kyoon darrti ho jaane tamanna
Jaan pe khelenge hum
Sanam kabhi tum na darrna, tum na darrna
Saath mein jab hain hum
