I wish you told me
From the start that
You gonna break my heart
I hate myself damn
So waiting for you
Its kill me cause i love you
And love never dies
Then why do i have
Tears in my eyes
Khwaabon mein
The aansu chhupe
Pata hi na tha humein
Raahon mein the
Kaante bichhe
Pata hi na tha humein
Kuch bhi humein haasil nahi
Hai reh gayi manzil kahin
Hairaan hai dil kis
Baat ki ye hai sazaa
Rone lagi hai ab duaa
Khud se huaa hai bePata
Aye rab mere mujhko
Zara tu ye bataa
Kyu hua kyu hua
Waqt humse khafa
Ishq se dil juda kyun
Hua kyun huaa
Iss gham ki wajah
Kisko pooche yahaan
Kyun hua kyun hua
Rab hi bezubaan
Saaya bhi ye roye
Tanhaa humko dekh kar
Zindagi khaali ho gayi
Khoya aise humsafar
Ye o kyu hua kyun hua
Rab hi bezubaan o
I wish you told me
From the start that
You gonna break my heart
I hate myself damn
So waiting for you
Its kill me cause i love you
And love never dies
Then why do i have
Tears in my eyes
Khwaabon mein
The aansu chhupe
Pata hi na tha humein.
