Kyun kaho ussey mein sochu gaya jo vo to
Suru ye din hai naya hatake tenshion sir se
Suru karu sab fir se jo khona tha vo kho gaya
Kyun roke bigaadu raate sochu vo mulakaate
Teri tumhaari baate chode yaadon ke kunde
Bola ke dil to sunn be vo chakar pura ho gaya
Ab har subah hai meri taaza taaza cheri
Khidakiyon pe tehari dhoop hai sunehari
Tele hai ye meri ya hai mera jahan
Haan log sab mere dost ab mere yaad nahi teri
Raah sab meri chal padu jaahan rasta nahi vahan
Kyun hai mujhe mohabbat kyun hai ye aashiqana
Summer is gonna be winter yo sunrise with the golden glow
I cant live like that i have a soul so let me show
What if i saw you missed you loved you touched you feel you so
Cant die for all the things that dont have any place no
Life is one chance so i wanna sip in dip n live in too let me go
Ill be born again rest just sayin again
And thats important so kick hard and goal is yours
Haan log sab mere dost ab mere yaad nahi teri
Raah sab meri chal padu jaahan rasta nahi vahan
Kyun hai mujhe mohabbat kyun hai ye aashiqana
Nahi hai saathi jo saahit main uska kya gum kiya jaye gum kiya jaye
Usse yaad kare mithe mithe dard se me muskuraau
Vo bhi muskuraaye
Yahi jindagi ka matalab hai jo aata ho aaye jo jaata vo jaye
Kabhi milenge achanak phir kahi till then bye bye
Ill miss you bye bye, bye
Kyun kaho ussey mein sochu gaya jo vo to
Suru ye din hai naya hatake tenshion sir se
Suru karu sab fir se jo khona tha vo kho gaya
Ab har subah hai meri taaza taaza cheri
Khidakiyon pe tehari dhoop hai sunehari
Tele hai ye meri ya hai mera jahan
Haan log sab mere dost ab mere yaad nahi teri
Raah sab meri chal padu jaahan rasta nahi vahan
Kyun hai mujhe mohabbat kyun hai ye aashiqana
